Willy,

Thats good. but do you see any chance of squeezing an additional deposit of some sort.. or getting a new written agreement that they will sign, where we can get them to commit some more and in more forceful terms, that they will absolutely pay the full balance and pick up no later then 10- days from today.. Maybe even just getting a new and enforced language now would be very worthwhile..

maybe do something like tell him OK, and your even willing to be more forgiving, and will give him up to 14 days.. but you want a signed written agreement with him confirming no later than 14 days.. that way we firm up the contract..

if not, your right we just need to wait and see.

Best Regards,  
Joe Kalfa

Thanks for clarifying.

I received a short text from Todd saying he expects to get funds released on Friday.

Now we have no choice but to wait till Friday.

We'll see if it's true or just stalling again.

I'll follow up with him on Wednesday to keep the pressure on.
